We may also contact local media outlets (newspapers, television stations, radio stations, etc.) for informational and educational purposes regarding our programs. We may also want to use pictures of students on our website and/or print media such as, but not limited to, brochures and view books. If you do not give permission to use your child's picture and/or name for publicity purposes, please send a letter to Gail Lanza, Executive Director, prior to the start of summer program.
